Market Stall Fees – Uppingham Friday Market

Effective - 1<sup>st</sup> December 2015

The following fees apply from 1<sup>st</sup> December 2015 and will be invoiced at the beginning of the month for which the bookings are for. Payment is on production of the invoice. For those paying online we are happy that this is done within 7 days of the invoice being presented.

The rates set out reward those with a regular commitment throughout the year, specifically those that stand each week (with exception of holidays which should be notified in advance\*).

| Type of Trader   | Rate per foot frontage                 |
|--|--|
| Regular – every week                                   | £1.00 (no change to existing traders)* |
| Casual Trader with their own stall (bi-weekly or less) | £1.50                                  |
| Casual Trader using UTC stall                          | £2.50 (£25 per day)                    |
| Young Entrepreneur or School Project                   | Free for up to 4 weeks maximum         |

## Holidays\*

For weekly traders - If you provide 2 months notice of any planned holidays these can be removed from that months invoice, otherwise they will be charged as if you were trading.

You need to produce your insurance and public liability documents once per annum for us to ensure they remain in place and active.

Yours sincerely,

Neil Wedge  
Town Clerk
