Dear All

I am writing on behalf of the Lord Lieutenant. You will be aware that we have been working very hard to build on the concept of a Youth Volunteering project to be operated at Town and Parish Council level. Like you we believe that this is a very worthwhile project. However, to be a success throughout Rutland this scheme would demand sustainable funding, a full time project manager and considerable commitment from the Town and Parish Councils that have signed up to pilot the scheme. It has become apparent that despite an enthusiastic response to the concept, there are not the resources or capacity to undertake the task at this time. It has therefore been decided to hold action on the proposal for the time being.

Young people in Rutland remain a priority and we will continue to support both individuals and groups in anyway that we can to help enable them to reach their full potential.

Best wishes  
Jane
